

Application Number: 10/594,051  
Amendment dated November 4, 2010  
Reply to Notice of October 29, 2010

**Amendments to the Drawings**

Please amend the drawings by substituting the current drawing sheets 1 through 3 with the replacement drawing sheets 1 through 3 included herewith.

REMARKS

Applicant thanks the Examiner for the ongoing review of this case. In response to the current Notice of Non-Complaint Amendment mailed October 29, 2010, applicant has revised the current drawings with the identifications of "REPLACEMENT SHEET" in each sheet's top margin in accordance with 37 CFR 1.121(d) and in further compliance with the Examiner's current requirement. The technical content and extent of disclosure contained in each of the replacement sheets is currently unchanged and no additional search will be required based on this current submission.

Applicant believes that this submission now renders the response to the office action of April 27, 2010 complete and ready for full consideration and allowance by the Examiner. Should the Examiner find any further items that require applicant's attention prior to the Examiner's further consideration and allowance of this case, the courtesy of a telephone call to applicant's attorney, Jon L. Woodard at (814) 870-7664 is respectfully requested.
